2021 Wellness Premium Incentive Outline

	Gold	Silver	Bronze
Weekly Wellness Discount	360-400 Points	320-359 Points	280-319 Points
Single	\$25	\$15	\$9
Associate & Spouse	\$40	\$24	\$14
Associate & Children	\$40	\$24	\$14
Family	\$55	\$33	\$20

Spouse Participation: Spouse participation is optional but highly recommend. Covered spouses are encouraged to participate and complete the following items highlighted below between March 1st, 2021 – February 28th, 2022: Physical exam, Dental cleaning and Vision screening. ***If your covered spouse does not complete all three activities by 2/28/22, your wellness incentive will drop one metallic (ex: from Gold to Silver, Silver to Bronze or Bronze to nothing).*** For example, John Doe (who has family coverage) earns 345 points which gets him to Silver. If his spouse completes all requirements stated above then he would get the \$33 Silver family incentive. However, if his spouse didn't complete all requirements then he would only get the Bronze \$20 family incentive.

Reasonable Alternatives are available for wellness tasks in the Healthy Ways Program.

Body Composition Measurement: If your body composition measurement falls within any of the ranges listed, you will earn the appropriate points listed. If your body composition measurement is higher than the listed ranges, you still have the opportunity to earn your points. You need to engage with a health coach, either by consulting with them on the phone, via e-mail or onsite. To earn the 70 points, you must set a measurable goal and reach that goal by the end of the program year (2/28/22).

Dental Cleaning, Physical Exam, Vision Screening: Submit proof of the exam or screening (completed WCUSA medical form and signed by doctor or Explanation of Benefits from insurance) within the program date range (3/1/21-2/28/22). **This task applies to covered spouses as well as Associates.**

Mammogram/Pap/PSA Exam: Submit proof of mammogram/pap/PSA exam (completed WCUSA medical form and signed by doctor or Explanation of Benefits from insurance) within the program date range (3/1/21-2/28/22). *Note: If you are not a female over 40 (mammogram) or male over 50(PSA), you will automatically be credited the points.*

Tobacco: If you test negative at the screening, you will receive these points. If you test positive, you still have the opportunity to earn these points. You may either participate in the WCUSA smoking cessation program or be re-tested by the end of the program year, 2/28/22, (and test negative) to earn your points.

Cholesterol, glucose, triglycerides, and blood pressure: If your results fall within the range listed, you will earn the points assigned. If your result is higher than the recommended range, you still have the opportunity to earn your points. Submit documentation from your physician (completed WCUSA medical form) showing proof of medication or physicians approval of your values.

Flu Shot: Submit proof of a flu shot (WCUSA Medical Form) or receive one during the Ohio Health Clinic flu shot clinic.

COVID Vaccine: Submit proof of 2nd dose of vaccine. If you received the J&J vaccine, only one dose required.
